

MSABC's 'League' & 'Champions' Trophies

This year, in an effort to get more participation during our competitive season, MSABC has introduced 2 new awards. The first is the 'League Trophy' which will go to the team that has scored the most number of points* during our 'league' meets - UBC (November), Nanaimo (November), Duncan (January), English Bay (February), Victoria (March) and White Rock (April). The more swimmers your club sends to each of these meets, the better your chances of scoring more points. This trophy will be awarded at our AGM during that year's Provincials.

The second award, the 'Champions Trophy', will be presented to the team that scores the most points at our Provincial Championships. Once again, the larger the contingent of swimmers your team sends to Provincials, the better are your chances of winning. Seeing though that most teams will have left for home before all the points have been tallied, we would present this award at our first meet of the following season (UBC in November). In both cases, points will be awarded on a first to eighth place finishing in each event for each age group. As there are normally no more than 8 participants in any event in MSABC meets, participating swimmers will almost always earn points for his/her team going towards the final score. The winning teams, both League & Champions, will also receive a permanent banner that they may hang at their home pool.
